## PREAMBLE.

CALIFORNIA SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION. Instituted October 22nd, 1875. The first body in inception, institution and organization, to unite the descendants of Revolutionary patriots and perpetuate the memory of *all* those who took part in the American Revolution and maintained the Independence of the United States of America. It was fully and completely organized on the 4th of July, 1876, under the name of "SONS OF REVOLUTIONARY SIREs." On the 30th of April, 1889, a number of similar co-equal Societies of different States formed a general Society under the name of "THE NATIONAL SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION," in which movement this Society heartily co-operated and changed its name to the CALIFORNIA SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION, under which latter name it has been since known.

# CONSTITUTION.

## ARTICLE I.

### NAME.

SECTION 1. The name of this Society is "THE CALIFORNIA SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION."

## ARTICLE II.

### OBJECTS.

SECTION 1. The objects of this Society shall be to unite and promote fellowship among the descendants, and perpetuate the memory of the men who, by their services or sacrifices during the War of the American Revolution, achieved the independence of the American people; to inspire among the members of the Society and the community at large a more profound reverence for the principles of the Government founded by our forefathers; to encourage historical research in relation to the American Revolution; to acquire and preserve the records of the individual services of Revolutionary patriots, and documents, relics and landmarks connected with the War; to mark the scenes of the Revolution by appropriate memorials; to celebrate the anniversaries of the prominent events of the War; to maintain and extend the institutions of American freedom; and to carry out the injunctions of Washington in his farewell address to the American people.

## ARTICLE III.

### MEMBERSHIP.

SECTION 1. Any man shall be eligible to membership in this Society, who, being of the age of 21 years or over, and a citizen of good repute in the community, is the

lineal descendant of an ancestor, who, while at all times unfailling in his loyalty, rendered actual service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute man, in the armed forces of the Continental Congress or of any one of the several Colonies or States; or as a Signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial or Colonial Congress or Legislature; or as a civil officer, either of one of the Colonies or States or of the National Government; or as a recognized patriot, who performed actual service by overt acts of rebellion against the authority of Great Britain.

#### ARTICLE IV.

##### OFFICERS.

SECTION 1. The officers of the Society shall be a President, a Senior Vice-President, a Junior Vice-President, a Secretary, a Treasurer, a Registrar, a Marshal and a Board of Managers consisting of the above mentioned and six other members, who shall be elected by a vote of the majority of the members present at the annual meeting of the Society, and who shall hold office for one year or until their successors shall be elected.

SEC. 2. Delegates and alternates to the Congress of the National Society shall be elected at the same meeting.

#### ARTICLE V.

##### MEETINGS.

SECTION 1. The regular meetings of the Society shall be on the second Tuesday in January; on the nineteenth of April, "Lexington Day," on the seventeenth of June, "Bunker Hill Day;" on the third of September, the anniversary of the Treaty of Paris, whereby King George III acknowledged the United States of America to be

free, sovereign and independent States; on the nineteenth of October, the anniversary of the surrender of the British Army to the allied armies at Yorktown, except when either of these dates shall fall on Sunday, in which case the meeting shall be held on the day preceding. Fifteen members shall constitute a quorum.

SEC. 2. The meeting of the second Tuesday in January shall be the annual meeting, at which, in addition to the transaction of general business, the election of officers for the ensuing year shall take place, who shall hold office for one year or until their successors shall be elected, and shall enter upon their official duty immediately.

SEC. 3. Special meetings may be called by the President or Board of Managers at any time.

SEC. 4. The President shall call a special meeting whenever requested in writing so to do by five or more members.

SEC. 5. No business shall be transacted at any special meeting excepting that for which the meeting was called, unless by a two-thirds vote of the members present.

## ARTICLE VI.

### AMENDMENTS.

SECTION 1. Amendments to this Constitution must be submitted in writing at a regular meeting of the Society, but shall not be acted on until the next or a subsequent meeting.

SEC. 2. A copy of every proposed amendment shall be sent to each member, with a notice of the meeting at which the same is to be acted on, at least one week prior to said meeting.

SEC. 3. A vote of two-thirds of those present shall be necessary to the adoption of any amendment.

## BY-LAWS.

---

SECTION 1. All applications for membership in this Society shall be made in duplicate upon blanks prescribed by the National Society, to which the applicant shall have made oath that the statements of his application are true to the best of his knowledge and belief, and shall be accompanied by the membership fee for the current year within which the application is presented, which shall be returned if the applicant is not accepted.

SEC. 2. No applicant for membership shall be received wherein the applicant does not clearly establish direct lineal descent from an ancestor who participated in establishing American Independence, as required by Article III of the Constitution.

SEC. 3. Applications for membership shall be received by the Secretary, submitted to the Registrar for examination, and shall be reported by the latter to the Board of Managers for action. When approved and elected by said Board, the applicant shall become a member of the Society. One copy of each application shall be retained by the Registrar for preservation, and the duplicate forwarded to the Registrar-General of the National Society.

SEC. 4. 1. The membership fee shall be ten (10) dollars, and the yearly dues shall be at the rate of twenty-five (25) cents per month. The payment of fifty dollars by a member at any one time, or the payment of annual dues for thirty consecutive years, shall constitute the person paying such sum a life member, and he shall thereafter be exempt from the payment of annual dues.

2. Annual dues shall be paid in advance to the Secretary on or before the day of the annual election. Any member in arrears for dues for two years shall be liable

to suspension and may be dropped by the Board of Managers, but may be re-instated on payment of all arrearages and one (1) year's additional dues, provided he has been suspended for twelve months or more, and provided there are no charges unbecoming a gentleman recorded against him remaining undetermined, or determined finally against him.

3. In extreme cases the Board of Managers may, by vote, remit the unpaid annual dues of a delinquent member.

SEC. 5. Sons of those who actually participated in the War of the Revolution, and thereby assisted in establishing American Independence, as referred to in Article III of the Constitution, may be admitted to full membership in this Society without payment of membership fee or yearly dues, they having complied with all the other requirements of those belonging to a later generation.

SEC. 6. Honorary membership may be conferred upon the Governor and ex-Governors of the State of California, and upon distinguished individuals for services rendered in the Army or Navy of the United States, or for contributions to the Society, who shall not be subject to dues or entitled to vote or hold office, but may take part in debate and be entitled to the honors of re-unions and celebrations, provided they are eligible to membership in the Society.

SEC. 7. The President, or in his absence the Senior Vice-President, or in his absence the Junior Vice-President, or in his absence a Chairman pro tempore, shall preside at all meetings of the Society and of the Board of Managers. He shall enforce a strict observance of the Constitution and By-Laws, and perform such other duties as custom and parliamentary usage may require.

SEC. 8. 1. The Secretary shall receive all moneys from the members and pay them over to the Treasurer, taking his receipt for the same. He shall conduct the

general correspondence of the Society, shall have charge of the seal, certificate of incorporation, By-Laws and records, and, together with the presiding officer, shall certify all acts of the Society.

2. He shall keep fair and accurate records of all proceedings and orders of the Society, and shall give notice to the several officers of all votes, orders, resolves or proceedings affecting them or appertaining to their respective duties.

3. He shall notify all members of their election, and shall, under the direction of the President, give due notice of the time and place of all meetings of the Society and attend the same.

4. He shall keep a true account of his receipts and payments, and of the accounts of the members with the Society, and at each annual meeting shall report the same, at which time a committee shall be appointed to audit his accounts.

SEC. 9. The Treasurer shall receive from the Secretary all moneys belonging to the Society, giving his receipt for the same; these funds shall be deposited in a reliable bank or savings institution in the city of San Francisco, to be designated by the Board of Managers, to the credit of "The California Society of the Sons of the American Revolution," and shall be drawn thence on the check of the Treasurer for the use of the Society only, as directed by vote of the Society or by the Board of Managers, upon the order of the Secretary and the certificate of the President. He shall keep a true account of his receipts and payments and at each annual meeting shall report the same, at which time a committee shall be appointed to audit his accounts

SEC. 10. 1. The Registrar shall keep a roll of members, and in his hands shall be lodged all proofs of membership-qualification, and the historical and genealogical papers—manuscript or otherwise—of which the

Society may become possessed; and under the direction of the Board of Managers shall keep copies of such similar documents as the owners thereof may not be willing to leave permanently in the keeping of the Society. He shall receive all applications for membership and proofs of membership-qualifications from the Secretary, shall carefully scrutinize and verify all statements of the Revolutionary services of ancestors that may be made in the applications, and shall report his findings in each case to the Board of Managers.

SEC. 11. 1. The Board of Managers shall consist of thirteen members, viz: the President, Senior and Junior Vice-Presidents, Secretary, Treasurer, Registrar, Marshal *ex-officio*, and six others, elected as provided by the Constitution.

2. They shall judge of the qualifications of the candidates for admission to the Society and elect the same, two negative votes rejecting the applicant.

3. They shall recommend plans for promoting the objects of the Society, shall digest and prepare business and shall authorize the disbursement and expenditure of unappropriated money in the treasury for the payment of current expenses of the Society. They shall generally superintend the interests of the Society, and perform all such duties as may be committed to them by the Society.

4. They shall have power to fill any vacancy occurring or existing in the Society, and an officer so appointed shall act until the following annual election or until his successor shall be chosen.

5. At each annual meeting of the Society the Board shall make a general report.

6. At all meetings of the Board of Managers five or more shall be sufficient for the transaction of business.

SEC. 12. The seal of this Society shall be the same as that of the "National Society of the Sons of the

American Revolution, organized April 30th, 1889," with the addition of an inner circle, three-sixteenths of an inch wide, bearing the following legend: "California Society, S. A. R., organized July 4th, 1876."

SEC. 13. No alteration or amendment of the By-Laws of this Society shall be made unless openly proposed at a previous meeting and entered in the minutes with the name of the member proposing the same, and shall be adopted by a majority of the members present at a meeting of the Society.

SEC. 14. Whenever ten or more members residing in any county of the State of California shall make application to be chartered as a local Chapter in such county, the President may grant such application thereby creating such Chapter, to be designated by any name embodied in the application. Such Chapter may receive as active members any member of the State Society who may reside in the county where the same is organized, and as honorary members any member of the order, and no other person shall be permitted to become a member of any Chapter. Every Chapter shall elect a President, Vice-President, Secretary and Treasurer, and such other officers as may be provided by its By-Laws. It may adopt such By-Laws as it may deem best, not inconsistent with the Constitution and By-Laws of the State or National Societies. But no such By-Laws shall have any binding force until they shall have received the approval of the Board of Managers of this Society, duly certified in writing by the State President and Secretary.

No application for membership in the State Society from any person residing within the jurisdiction of any Chapter shall be acted upon by the Board of Managers of this Society until the same has been referred to the officers of such Chapter and been by them recommended; but if such recommendation is refused, the Board of

Managers may nevertheless approve of the application if it deems best so to do, but the applicant shall not thereby become a member of the Chapter.

All applicants for membership who shall receive the recommendation of a local Chapter as heretofore prescribed, and shall have been elected to membership by the Board of Managers of this Society, shall thereby become members of the Chapter recommending them.

Members of local Chapters shall pay to their Chapter such dues as the By-Laws of such Chapter may provide, but the membership fee shall be paid to the State Society.

Each local Chapter shall on or before the 1st day of January of each year, send a report of its membership to the State Society, which report shall show the number of members of such Chapter in good standing upon the 1st day of January, and likewise the names of all persons who have become delinquent during the past year. All such reports shall be accompanied by a sum of money equal to \$1.50 for each member in good standing in the Chapter as shown by such report. A failure to forward the report herein referred to, together with the money required, before the holding of the annual meeting of this Society upon the second Tuesday in January, shall be sufficient cause for revoking the Charter of the Chapter so failing.

## Instructions to Applicants.

---

The application must be presented in duplicate upon the form issued by the National Society.

The record of the ancestor's service should be given fully but concisely.

It is not necessary to show the pedigree any further back than the ancestor who served in the war.

The Society does not accept *Encyclopedias*, *Genealogical Works*, or *Town or County Histories*, except such as contain *Rosters* as authorities for proofs of service.

In referring to printed books the volume and page should be given.

Reference to authorities, in manuscript, must be accompanied by certified copies, and authentic family records submitted, if required.

Every application must be accompanied by Ten Dollars (\$10.00), signed and sworn by the applicant, and endorsed by two members of the Society.

When the applicant is not personally known to any member of the Society whom he can ask to recommend his application, he must submit to the Secretary, when he files his papers, the names of two reputable citizens of the State, to whom he refers by permission.

When an applicant claims descent from more than one revolutionary ancestor, then "Supplementary" applications must be made in duplicate for each ancestor.

Supplementary claims are to be treated in form and procedure precisely as original applications. No extra cost for filing supplementary claims.
